With the help of Mission Ignition, the Media Ministry team has replaced our 11+ year old video camera with a newer high quality digital camera. We have also added a new higher speed DVD/CD duplicator that can make four copies at a time. We can now offer DVD/CD copies of our programs within 15 to 20 minutes of the end of our programs. If you would like a copy of the service for yourself or a friend let one of our team members know (Anson, Sam or Neil).
